The majority of our students receive financial support for their enrichment at RTS through partnerships with public schools. We are proud to be approved vendors for several schools, including [Summit School](#), [Sage Oak Charter School](#), [Peak Prep Pleasant Valley Charter School](#), [Compass Charter School](#), and [Golden Valley Charter School](#), all of which provide educational funds that can be utilized for enrichment at RTS. Please reach out to our Admissions Director at admissions@rocktreesky.org for questions about using educational funds for RTS.

Rock Tree Sky is committed to being an economically diverse community. We work with families of all financial backgrounds and offer need-based assistance to make RTS widely accessible. If RTS feels like the right program for your children, please do not hesitate to contact us to figure out how the program can work for your family.

Summit Enrolled Students, Utilizing Funds For RTS Only, Not Attending Summit Workshops

These options in the chart below are for families who choose to NOT utilize the Summit workshops, but instead choose to utilize the district funding to attend the RTS enrichment program only.

Families who choose this are still required to turn in work samples to a Summit teacher once every 20 days. These work samples could be any combination of online academics, personal projects or other snapshots of learning at home or RTS. Families who are more interested in unschooling / Self-Directed Learning and less conventional academics may prefer these options. Or these families may prefer working with one of our other Independent Study Charters we have partnerships with.
